Conjunctions – Reading

A Trip to the Beach

Lily and her brother go to the beach on a sunny day. They bring a big bag and many toys.

The waves are high but the water is warm. Lily builds a sandcastle and her brother collects seashells.

They want to swim in the sea, so they put on their swimming clothes.

A seagull flies near them and it drops a small shell.

Lily can play with the shell or she can give it to her brother.

They enjoy their day at the beach and they eat ice cream before going home.
